

Procedure/Exam Lighting

HALUX® 50

HALUX® 50 Offers High Intensity Light Output

The Halux® 50 is a global leader in exam lighting and offers the highest intensity in its price category. With the Halux 50, there are also more choices in mounting options including a unique “telescopic ceiling mount” and rail mount to fit every popular rail system. Compare the Halux 50 to any competitive product and you will see clear differences in its performance, quality design, materials, and workmanship.

FEATURES

- 73,000 lux (6800 fc) at 16”; 60,000 lux (5600 fc) at 18” powered by optically advanced 50-Watt IRC (Infrared Coated) halogen-xenon bulb
- Widest range of mounting options for any exam light: telescopic ceiling mount, floorstand, wall, table, rail mount, and clamp
- Extension arm available with wall or rail mount
- Articulating arms offer a 38” arm reach on ceiling, floorstand, rail, and standard wall/table mounts; the arm reach is 54” for wall/table, and rail with extension models
- Gooseneck arms offer 36” arm reach on floorstand, rail and standard wall/table mounts; the arm reach is 52” on wall/table, and rail with extension models
- Rail mount fits “Fairfield”, “Amico” and most other standard rail mount systems
- 3400K color temperature
- Cool 8” light beam
- Includes wrap-around handle for easy positioning
- Double wall construction assures cool housing surface temperature
- Long 3000 hour bulb life
- Lighthead moves 270° around arm pivot for superb positioning
- Optional color correction filter to achieve greater than 4000K
- Hospital-grade plug included
- 3-year limited warranty
- 120V is standard; 230V models are available
